## OSTEOPATHIC HINTS

### THE LESION.

The word, "lesion" has become quite familiar to the friends of osteopathy, and while it is not restricted in its meaning entirely to abnormalities of a bony nature, yet, strictly speaking, the word lesion usually refers to a spinal, rib or innominate hip, malposition, as these are the most common found in our practice. Speaking broadly however, the word lesion may apply to the abnormal relation or position of any tissue, and is often found in medical literature as relating to some organic disturbance. Dr. A. T. Still, founder of our science, included as one of the basic ideas of the cause of disease, the possibility of the malposition of almost any bone in the body, and that principle stands the test of the most adverse criticism.

The correcting of these lesions by osteopaths all over the world in their daily practice, resulting in cures of almost astounding nature, has satisfied the minds of hundreds of patients that the lesion theory is scientific and the correct one. "Herald of Osteopathy."—Adv.

## ROSES—

I have 10,000 roses ready for immediate delivery, all grown in the open ground, and grown in Heppner. All are on own roots, comprising 170 varieties of the best ever blooming sorts; positively guaranteed true to label. Many prefer that I make their selection, giving their preference of colors. I will always give any rose of equal value in exchange for those that do not entirely please you. I will also donate, as a forfeit, ten choice ever blooming roses for every error I make in filling your order. I refer you to J. L. Vaughan, the electrician, as to the merits of my roses. Mr. Vaughan having over 50 of my roses growing in his yard.  
Address, HARRY CUMMINGS, Heppner, Oregon.

# Head the Gift List With FURS

If you can't decide what to give, write FURS in large letters, to make sure of being right. Then you cannot go far wrong if you make your selection from any of these beautiful Fur Sets here.

Few things give a woman a greater sense of luxury or well being than Furs, which are the last touch to both her costume and her comfort; they also set the final stamp of good dressing upon her. Fashionable furs are here in various rich and lovely styles—awaiting your consideration.

## Something about the less expensive GIFT FURS

Nearly every piece of which is guaranteed. Even the Narobia Lynx, the least expensive of all, is a great bargain at the price, because of its unusual wearing value.

Narobia Lynx is really an Australian rabbit, but in the making is so treated as to give it the beautiful gloss and luster of a genuine lynx, and the pelt is extremely strong, affording double wear.

New and particularly charming Furs have just come. Beautiful Neckpieces and Muffs.

Here's the important thing—

They are priced from \$5 to \$50.

and better values for the money at that.

## Tomorrow is Coat Day— AN EVENT OF VITAL IMPORTANCE TO WOMEN

Even in the thick of Christmas shopping a woman has to think of clothes. She will think and act wisely if she takes advantage of this extraordinary opportunity to buy a coat tomorrow.

### FOR INSTANCE:

\$20 Coats at ..... \$10.00
